ENGLISH CHORAL RECITATION (POEM)

(Year 3 to Year 8)

Dear Parents,

We hope this letter finds you in good health and high spirits. We are excited to share news about our upcoming Choral Recitation event, where our talented students will showcase their creativity and skills.

Choral recitation is a unique and captivating form of artistic expression that not only enhances confidence but also promotes teamwork and a love for language. Our students have dedicated themselves to creating performances that are sure to leave a lasting impression.

This event serves as a platform for our students to exhibit their talents and fosters a sense of support and community among parents, teachers, and students. It's a wonderful opportunity for us to come together and celebrate the achievements and growth of our young performers. The preliminary round is scheduled on Monday, 8/1/24. Each class will be assigned a poem, and they will get the opportunity to recite the poem as a group in front of other classes.

To ensure the success of this event, we kindly request your support. Each student will be bringing home the assigned poem, and we encourage you to help them with memorization. The Form tutors will also be conducting practice sessions in the classrooms to refine the performances.

Your encouragement and involvement in this process hold immense significance for our students. We look forward to sharing this memorable experience with you and appreciate your continuous support.

Thank you for being an integral part of our school community.

Kind Regards,

Pretty Khosla
