UMRA PRACTICAL

Year 1 - Year 8

(for Islamic A & B Students Only)

Dear Parents,

Greetings from Apple International Community School!

We are excited to announce a unique educational opportunity for your child at our school. As a part of our commitment to providing a well-rounded and culturally enriched education we are organizing a simulation on Umra, the sacred act of worship in Islam on **Friday, 12 January 2024**.

During this simulation students will have the chance to learn about the significance of Umra in Islam and gain a deeper understanding of the rituals involved. We have set up a dedicated area in our school premises to simulate key aspects of Umra experience. Our knowledgeable teachers will guide the students through these activities providing historical context and spiritual insight. This hands-on experience will help your child appreciate the importance of Umra and foster a sense of cultural awareness and tolerance.

We kindly request your child's participation in this educational event as we believe it will be a valuable and enriching experience for them. **Please ensure that your child bring the Ihram dress (special dress worn during umra) for the event.**
