AICS Global Village-Cultural feast

Dear Parents,

We are happy to announce that AICS is organizing **AICS Global village on Wednesday, 17th of January 2024** in the school premises that fosters an environment of unity, appreciation, and friendship. We encourage all students to participate and contribute to this unique cultural experience. This event will enrich the educational experience and foster a sense of global awareness and understanding.

Highlights of the AICS Global Village:

Each class has been allocated to a country before the winter break. Students are expected to showcase the salient features of the country in the form of history, geography, food and culture, sports, wildlife, tourism etc. Each class will be transformed into the pavilion of a country that will be visited by students of other classes.

Students are encouraged to participate in the event and use the opportunity to learn about the hosting a cultural fair where students showcase a country with its unique features and serve as a multifaceted educational experience that promotes cultural understanding, community building, and the development of essential skills.

Cultural Displays: We welcome individuals to set up displays showcasing aspects of their culture, such as traditional clothing, artifacts, music, and more.

Games: We welcome students to organize traditional games music dance to encourage fun interactions.

Network Opportunities: Connect with others who share similar interests in cultural exchange. Build new friendships and expand your cultural horizons.

Food: If possible, students are encouraged to bring samples of the unique/popular food of their assigned country to provide a culinary experience.

Kindly send your ward in a traditional attire associated with the country assigned.

Students must submit their projects by Monday, 15 of January 2024.

Kind Regards,

Pretty Khosla
