Invitation to Robotics Bootcamp for Your Child

Dear Parents and Guardians,

We hope this message finds you well. We are excited to inform you about an upcoming educational opportunity that we believe will greatly benefit your child's development and spark their interest in science, technology, engineering, and mathematics (STEM).

Robotic Bootcamp Details:

- **Date and Time:** Sunday, October 1, 2023, 11:30 AM - 12:30 PM

- **Location:** The Apple International Community School, Al Karama, Dubai

Organized by Unique World Robotics:

This Robotics Bootcamp is organized in collaboration with Unique World Robotics, a renowned name in STEM education. The bootcamp offers a unique and hands-on experience for children, providing them with an introduction to various exciting facets, including:

- **Lego Building:** Your child will have the opportunity to unleash their creativity and problem-solving skills through engaging Lego building activities.
- **Coding:** They will be introduced to the fascinating world of coding, where they can learn the basics and explore the power of programming.
- **Robotics:** Your child will get the chance to work with robotics kits, allowing them to build and program their robots.
- **Quarky:** Quarky is an interactive learning platform that engages students in STEM subjects in a fun and educational way.
- **Competitions:** Students will have the chance to participate in competitions like the FIRST Lego League, fostering teamwork and innovation.

Benefits for Your Child:

- Exposure to cutting-edge technology.
- Enhanced problem-solving and teamwork skills.
- Exploration of potential career paths in STEM fields.
- Fun and interactive learning experience.

We believe that this Robotics Bootcamp will not only provide valuable educational experiences but also be an enjoyable and enriching opportunity for your child.

Registration Details:

To register your child for this event, please [REGISTRATION FORM](#) . Space is limited, so we encourage you to secure a spot as soon as possible.

Community School**

Safety Measures:

The safety and well-being of your child is our top priorities. We have implemented all necessary safety measures to ensure a secure learning environment during the bootcamp.

Contact Information:

Should you have any questions or require additional information, please feel free to contact us at +971-526826684.

We encourage you to take advantage of this exciting opportunity to inspire your child's curiosity in STEM subjects and nurture their passion for learning.

Thank you for your continued support in providing the best educational experiences for your child.

Warm regards,

APPLE INTERNATIONAL COMMUNITY SCHOOL
