GENIUS HOUR
(Year 3 – Year 8)

Dear Parent

AICS focuses on the holistic development of the students, where scholastic and co- scholastic aspects are given equal weightage.

Keeping this view in mind, the school conducts various club activities for the students once a week under the name Genius Hour which is placed in their Timetable.

Participation in the club activities not only helps in fostering their inherent talents but also provides a platform for sharing their views, thoughts, ideas etc. on various topics of common interests.

A student can give a maximum of three options according to their area of interest from the list given below. They will be allotted to any one of the three clubs opted. The Clubs will be rotated on Term wise basis. Options are on first come first served basis. Once the option is full with the required member, students will be given option 2 or option 3.

The consent form should reach the Form Tutor not later than 23rd October.
