FIELDTRIP TO GREEN PLANET

(FS1 – FS2)

Dear Parents,

We are pleased to announce that we will be organizing an **Field Trip to The Green Planet on 13th November 2023**. The Green Planet is the region's only bio-dome that recreates the enchanting world of the tropical forest sustaining over 3,000 plants and animals, providing students an up-close, hands-on educational and fun experience. It is built around the desire to contribute to environmental consciousness in the region. As part of this priority, The Green Planet will aim to not only impress students and teachers with a novel green oasis in the city, but at the same time ensure that they enjoy an up-close educational and fun experience.

The cost of the tour is **AED 110 per student**, which includes admission to the bio-dome and transportation. Lunch is not included, but students may bring their own or purchase lunch at the cafe on site.

We encourage all students to participate in this educational tour. It is a great opportunity for them to learn about the natural world and how to protect it.

To register your child for the tour, please fill out the below consent slip and return it to school by November 6, 2023.

Kind Regards,

Pretty Khosla
