CREATIVE READING COMPETITION

Dear Parents,

“Reading is to the mind what exercise is to the body”

The AICS gladly presents a “**Read around the Emirates**” competition for our students aiming towards making their reading adventurous and delightful while exploring any of the 7 Emirates’ famous landmarks.

Think out of the box and follow the below simple rules to win:

1. Be anywhere in and around any of the 7 Emirates (indoor or outdoor).
2. You should be reading any book of your choice.
3. Capture the moment (location, attire, and mode of photography to your convenience & imagination)

The entries for the competition will start from **28th October till 6th November 2023**. The photos should showcase the parent’s creativity and the student’s love for reading.

(Photos should be uploaded here) The winners will be announced on the 9th November 2023.

Kindly encourage and support your child to participate in the competition.

Kind Regards,

Pretty Khosla
