FLAG DAY

(FS-Year 8)

Raise it high, to keep it high!

Dear Parents,

Greetings from AICS Family.

The UAE Flag Day is celebrated on November 3rd every year to promote unity and solidarity across the country

What does the UAE flag colors represent?

The UAE flag represents justice, peace, tolerance, power, and moderation.

How is AICS celebrating it?

On Friday 3rd November 2023 at 11:00am our school will celebrate the Flag Day with great pomp and show. We have planned a programme to commemorate the event wherein the whole school from FS - Year 8 will be assembling to raise the flag in the school quadrangle and sing the national anthem.

This is a polite reminder for **all students to kindly come to school dressed up in UAE national flag colours and bring the UAE flag.**

Kind Regards,

Pretty Khosla
