RESCHEDULED ASSESSMENT

Dear Parents,

As all new schools, AICS needs to be quality assured by the regulators every year before its main inspection scheduled for next year. We have already had 2 successful visits in the past two years.

As per the information received from the regulators, our third visit is scheduled on Thursday 16th November 2023. Due to the forementioned reason the End of term Assessment will now begin from Friday ,17th November.

The exam that was scheduled for 16th November will now be held on 30th November. The rest of the assessment schedule will remain the same.
