Inclusion & Wellbeing
(New Initiative under Parent Partnership)
(AY 2025-26)

Dear Parents,

Greetings from **The Apple International Community School**.

At AICS, we believe that every child deserves to feel safe, supported, and happy at school. To strengthen our partnership with you, we are starting new initiatives.

1) Inclusion & Wellbeing Newsletter:

We are pleased to introduce the **Inclusion & Wellbeing Newsletter - INSPIRE** which will be released on the **7th of every month** through Teams Channel. The newsletter will provide you with updates, resources, and highlights that focus on supporting the wellbeing and inclusion of our students.

2) Wellbeing Calendar:

Along with the newsletter, we are launching a **Theme-Based Wellbeing Calendar of the Month**, featuring simple activities that can be carried out at home. These activities are designed to encourage positive habits, promote family bonding, and foster a nurturing environment for our children. To make this initiative engaged, we invite you to share pictures of your child's participation using the **Padlet link** (QR code) provided.

3) Listening Post:

We are also introducing a **QR Code Form- Listening Post** to make it easier for you to raise any concerns or seek support for your child. This form allows you to share any **concerns, observations, or requests** regarding your child's learning, behaviour, emotional wellbeing, or overall school experience. The information you provide will help us understand your child's needs better and work with you to provide timely support. Once you fill out the form, you will automatically receive an acknowledgment **email**. Please allow us **three working days** to review and respond to your concern. In case you do not hear back within this timeframe, we kindly request you to reach out to us directly through the school office.

We look forward to your cooperation in creating a positive and supportive atmosphere for all our children. Together, we can ensure that every child feels valued, included, and cared for. Your trust and collaboration are essential in creating a positive and nurturing environment for our children. Together, we can ensure their success and wellbeing.

Kind Regards,

Pretty Khosla
