Early Dispersal on 20th October 2025
(FS- Year 10)

Dear Parent,

Greetings from **The Apple International Community School!**

There will be an **early dispersal on Monday, 20th October 2025** for all students and teachers due to heavy traffic expected on the Karama and nearby roads owing to the festival preparation and celebrations. The school will follow Friday Timings on Monday i.e. dispersal will be at 11:45 am.

Kindly note that the school has taken approval from the KHDA for the above-mentioned arrangement on Monday as always.

Though we encourage parents to pick up the children on time due to expected heavy traffic in later hours, any OT parent of Year 1 to 10 is still unable to pick the child at the given time on Monday **must inform the school through form tutor and section heads via email so the child can be kept under adult supervision until the regular dispersal time i.e. 2:20 pm.**

Thank you for your continued support and collaboration.

Kind Regards,

Pretty Khosla
