END OF TERM 1 ASSESSMENTS 2025-2026

(Year 2 – 10)

Dear Parents,

Greetings from **Apple International Community School!**

The end of term summative assessments for years 2 to 10 will commence on **November 18th, 2025**. While these assessments are important as they are a reinforcement of all the learning that has happened through the term, please note these are not the only assessments. As always, the students are assessed through other ongoing formative assessments during the term as well so we should encourage our students to take these assessments in their stride and not feel anxious.

We will have teachers revising content, offering assertive mentoring as necessary for students that need it and ensuring that students have the best chance to succeed.

Please note the important points:

- **No retests will be given for any assessments.**
- **No request to prepone or postpone any assessment will be entertained.**
- **Late arrivals for the exams are not allowed, and no extra time will be given for the same.**
- **Absenteeism other than medical leaves will be graded as U.**
- **Medical leaves are accepted only with a valid medical certificate from a doctor.**
- **There is no provision for online assessments.**

Mark Distribution

- **FS and Year 1:** Students' End of Term grade will be decided by achievements made in continuous assessments.
- **Year 2-Year 10:** Students' End of Term grades will be decided by achievements made in formative assessments and summative assessments.

Please make sure that your child attends all assessments without fail.

We will make sure that our students are supported to the best possible degree. **We are facilitating early dispersal for all students at 11.30 am during the assessment days** so that children get enough time to get back home, rest and prepare for their next assessments.

Our students' mental health and well-being are important so, as parents, please ensure that the learning environment at home is conducive to retention. We seek your support in encouraging students to take term end assessment as enjoyable and fulfilling experience.

Please find below the schedule for End of Term 1 summative assessments. Curriculum portion to be assessed will be sent by the teachers in a separate email and through MS Teams/Class dojo.

***Kindly note that FS1 To Y1 have ongoing continuous assessment throughout the term so there will not be a formal summative assessment for them.**
