Field Trip to Woohoo, Dubai
(FS)

Dear Parents,

Greetings from Apple International Community School!

We are pleased to announce the Foundation Stage Term 1 Field Trip to **Woo Hoo Dubai** on **12th November 2025**.

With 11 different galleries, filled with over 50 interactive exhibits that offer exciting programs, alongside a child-focused team, woo-hoo! has something to entice students of every year group. Every experience is designed based on cutting-edge research on childhood development to provide open-ended play with the utmost safety and independence for the kids.

The cost of the tour is **AED 150 per student**, which includes **admission to Woo Hoo, transportation, and a meal**. We encourage all students to participate in this educational tour. It is a great opportunity to sharpen numerous fundamental skills – including critical thinking, problem-solving, gross motor development, social collaboration, and executive functions – while incorporating science, technology, engineering, art, and mathematics (STEAM). The best part is, it is all done through hands-on play, with nonstop fun!

Important Note:-

- Students are allowed to carry 500 ml of bottled water, but no food is allowed **to the venue**.
- Kindly ensure that they are **not carrying any valuables or wearing any gold/diamond ornaments**.
- Students must carry juice packs, dry snacks, and water as it will be a long day.
- Students to be dressed in PE uniform.
- On the day of the trip, students using own transport can be collected **at 1:45 pm**. Bus students will go home by the 2:30 pm trip. The buses will not be plying for the regular FS Trip at 11:50am.
- It will be a non-instructional day for the children who are not opting to go on this field trip. Parents are requested **not to send their children** to school in that case.

To register your child for the tour, please fill out the consent slip below and return it to the Form Tutor by 10th November 2025 along with the AED 150 fee in a sealed envelope.

We encourage all students to participate in this educational tour. It is a great opportunity for them to experience fitness merged with fun and to socialize with their peers beyond the boundaries of their school.

Kind Regards,

Pretty Khosla
