## **Student Led Conference – Term 1**

**(KS1)**

Dear Parents,

Greetings from **The Apple International Community School**.

We cordially invite you to the Term 1 Student-led Conference (SLC) of Key Stage 1. The conference offers authentic opportunities for students to take ownership of their learning, share learning with their parents and teachers, and allow teachers to receive valuable feedback that impacts their instructional decision-making. It also strengthens the relationship between home and school and brings students and parents closer together. Parents see their children through a new lens – in action in their classroom environment – and gain insight into academic achievement. The students also gain a better understanding of their strengths and challenges, resulting in better quality of work.

SLC will be held on two days (20<sup>th</sup> & 21<sup>st</sup> November), dividing the class into two sections, to ensure that each child gets enough time to present their work. Please fill out the MS Form to choose your convenient day. Since we can cater to only 15 parents, the final list will be made based on the first 15 parents who filled out the form.

**The form will accept responses till 13<sup>th</sup> November, Thursday.**
