**Survey – Friday Distance Learning during Ramadan**  
**(FS to Year 10)**

Dear Parents,

Greetings from **The Apple International Community School!**

In alignment with guidance from the Knowledge and Human Development Authority (KHDA) and as part of our ongoing commitment to safeguarding students' wellbeing while upholding high academic standards, we are exploring the possibility of **offering distance learning on Fridays during the holy month of Ramadan.**

**Please note that Year 9 & 10 students who are sitting for pen & paper tests will be required to attend school in person as usual on Fridays. Assessment schedules will not be changed.**

Before making any decision, we would like to gather feedback from our parent community. This arrangement would only be implemented if the majority of parents support the proposal and formal approval is obtained from KHDA.

Please take a few minutes to complete the survey below by **12:00pm on Wednesday 18th February 2026.**

We kindly request all parents to complete the link below to indicate your preference:

We appreciate your cooperation and partnership as we work to balance educational continuity with the spiritual observances of Ramadan, while keeping student wellbeing at the heart of our decisions.

Kind Regards,
