Ramadan Fridge
(FS to Year 10)

Dear Parents,

Greetings from **The Apple International Community School!**

As a part of our annual Ramadan initiative, we have placed a **Ramadan Fridge** near the dispersal area as usual. You are welcome to contribute food items of your choice (Eg- Fruits, Juice, Laban, Dates, Snacks, Rice, Pulses, Oil, Noodles, Cooked food etc) that will be shared among the Support Staffs, Nannies and Drivers or any other needy person.

We encourage families to involve their children in selecting and preparing the items, helping them understand the true values of empathy, gratitude, and generosity that define this blessed month. Even a small contribution can make a meaningful difference in someone's day.

Kindly ensure that all food items are properly packed, labelled (if required), and within their expiry date.

Let us come together as a school community to spread kindness and make this holy month truly beautiful and memorable for everyone.

Kind Regards,

Pretty Khosla

Pretty Khosla
