Participation in Codeavour 7.0 International – AI, Coding & Robotics Competition
(Year 1 to 9)

Dear Parents,

Greetings from **The Apple International Community School!**

We are pleased to inform you that students are invited to participate in Codeavour 7.0 International, a global AI, Coding, and Robotics competition where students develop innovative projects using PictoBlox.

Codeavour provides hands-on exposure to Artificial Intelligence (AI), Machine Learning (ML), AR-VR, IoT, Coding, and Robotics. Through structured workshops and interactive sessions, students enhance critical thinking, creativity, collaboration, and communication skills.

Age Categories (2025–26 Edition):
- **Elementary** : 7–10 years
- **Junior** : 11–14 years
- **Senior** : 15–18 years

Team Structure:
- 1–3 students per team
- One mentor per team

Training Details (During Ramadan):
- **Time:** 1:00 PM – 2:00 PM
- **Venue:** New Robotics Lab

Competition Schedule:
- The April round will be the Regional/National Competition.
- Exact dates will be announced later upon official confirmation.
- Qualified teams will advance to the International Finals.

International Level Awards:
- 100+ prizes
- Fellowship opportunities for the Top 20 students
- Total prize pool worth USD 25,000+

Competition Fee:
- AED 250 + VAT per student

Parents interested in registering their child are requested to confirm participation at the earliest in school accounts to facilitate training arrangements.

Thank you for your continued support in inspiring and empowering future generations.

Kind Regards,

Pretty Khosla
