**Important Notice on Distance Learning**

**(FS to Year 10)**

Dear Parents,

Greetings from **The Apple International Community School.**

In light of the current regional developments and as a precautionary measure based on the KHDA directive to ensure the safety and wellbeing of our students, staff, and the wider school community, AICS will shift to distance learning from **Monday, March 2 to Wednesday, March 4.**

All classes will be conducted online. The format and detailed schedule of the online classes will be shared shortly by the respective section coordinators. Students are expected to attend all scheduled sessions and complete assigned tasks as guided by their teachers.

Please note the following:

- Internal assessments planned during these dates will be postponed. Revised dates will be communicated in due course.
- Additionally, considering the uncertainty of the situation, the Iftar scheduled for March 6 stands cancelled for now. The event will be rescheduled at a later date based on further developments, and we will inform you accordingly.

We would like to reassure you that the relevant authorities in the UAE are closely monitoring the situation and have comprehensive systems in place. The safety and security of our school community remain our highest priority.

Should there be any further updates, they will be communicated through our official school channels. We kindly request parents to rely only on official sources for accurate information and to avoid sharing unverified news.

Thank you for your continued cooperation and support.

Kind Regards,

*Pretty Khosla*
