

**PHASED RESUMPTION OF ON-CAMPUS LEARNING**

**(FS to Year 10)**

Dear Parents,

Hope you and your family are keeping safe.

In continuation of our previous circular and after attending an in-person briefing at the KHDA where detailed guidelines including additional protocols, conditions, and regulations were shared, the school continues to **adopt a phased and compliance-driven approach** towards the resumption of on-campus learning.

**What You Need To Know:**

**1. Protocol Trainings**

- All private schools in Dubai must undergo a rigorous readiness inspection by a KHDA team before approval to reopen is granted.
- At present, additional time is required to complete final-stage staff training on the new safety protocols, emergency preparedness procedures, safety drills, and full compliance validation as mandated by the KHDA. All staff are required to be trained on these protocols before any students return to the building.

**2. Distance Learning Schedule**

- Distance learning will continue until Thursday, 24th April 2026.
- To facilitate above mentioned training, **all lessons on 20<sup>th</sup> and 21<sup>st</sup> April will be asynchronous lessons. There will not be any live online lessons as staff needs to undergo trainings and drills.**

**3. KHDA Approval and School Reopening**

- Before any students return to campus, the school must complete all safety, operational, and compliance requirements and be inspected by a KHDA team.
- Tentative reopening is planned for 27th April 2026, strictly subject to KHDA approval. We will share the confirmed reopening date with you as soon as official approval is received

**4. Staggered Opening of School**

To ensure a smooth, safe, and well-organised return, the school will welcome students back in a staggered manner as outlined below:

Day	Year
Monday, 27th April 2026	Years 2, 5, 6, 8, 9 and 10
Tuesday, 28th April 2026	FS2, Years 1, 3, 4 and 7
Wednesday, 29th April 2026	FS1

***\*\*Strictly subject to KHDA approval***

*\*From Wednesday, 29th April 2026 onwards, all students who have opted for in-person learning will attend school as per the regular timetable.*

- Specific arrival and dismissal timings for each year group will be shared once reopening is confirmed.

#### **5. School Transport Services**

- In line with the updated government mandate circulated today afternoon, school bus services will be available when students return to school. Parents are kindly requested to fill the survey being sent by transport department, if they want their child/ren to avail school bus service.
- Own transport parents to please keep in mind the traffic delays in the city and around the school vicinity.

#### **6. Safety and Security Measures**

- The school has implemented the required health, safety, and security measures to support a safe return, including designated indoor safe zones, organised arrival and dismissal procedures to prevent overcrowding, minimised movement around the school, and age-appropriate student safety briefings during the first week back.
- No outdoor activities or assemblies are permitted when school resumes. No Canteen provisions will be there until further notice.
- In keeping with strict government mandates, students are prohibited from photographing, recording, or sharing any information related to potential safety incidents, drills, or evacuations on social media or any digital platform.

#### **7. Mode of Learning – Dual Delivery Model**

- As part of our compliance planning, the school will implement a dual delivery model offering both in-person and distance learning options.
- As per KHDA, the same teachers are not permitted to deliver face-to-face learning and distance learning simultaneously.
- Your selection will apply to the initial phase of the phased return. Operations will be reviewed weekly, and updates along with any next steps will be communicated accordingly.

We appreciate your continued support and understanding as we work towards ensuring a safe, structured, and fully compliant reopening. Our priority remains the safety, well-being, and learning of every student, and we look forward to welcoming students back in a safe and well-organised manner.

We will share year wise detailed plan early next week.

Kind Regards,

*Pretty Khosla*
