

Spring Break Update from UAE Authorities
(FS to Year 10)

Dear Parents,

Greetings from **The Apple International Community School**.

The wellbeing of our students, families, and staff remains the highest priority for us and the UAE authorities. Following careful consideration, the Ministry of Education and KHDA have confirmed the official Spring Break dates for all students and staff in schools and universities across the UAE.

Spring Break Schedule:

From: Monday, 9 March 2026

Until: Sunday, 22 March 2026

Schools are expected to resume normal on-campus operations on **Monday, 23 March 2026**. As per current guidance, there is no provision for remote or flexible learning during the week starting from 23rd March, and schools are required to plan for a full return to campus.

Please note, keeping safety in mind, students will not be permitted to enter school campuses during the Spring Break period. Should families need to collect essential items, please contact the school in advance via -
