Dear Parents,

Greetings from **The Apple International Community School**.

During this period:

- All classes will continue as per the distance learning schedule.
- **Attendance is mandatory.**
- Online learning platforms will remain fully operational to ensure uninterrupted learning.
- Regular communication will be maintained with students and parents regarding lessons, assessments, and updates. **Lesson time schedules will be sent to you soon.**
- All extracurricular activities and sports academies are suspended.

Please note that school premises will remain closed, except for essential operational requirements as permitted by authorities.

We request all parents to rely only on official school communication for updates and to support their children in maintaining regular attendance and engagement in online classes.
