

**Parents' Safety Practices Survey – RTA Initiative**  
**(FS to Year 10)**

Dear Parents,

Greetings from **The Apple International Community School**.

As part of the Roads and Transport Authority (RTA), Dubai initiative to enhance traffic safety and improve student drop-off and pick-up procedures around school zones, we request your kind cooperation in completing a short parent survey.

The survey aims to gather parents' feedback on safety practices followed while dropping off and picking up students, which will help authorities further improve safety and reduce congestion around schools.

**Survey Details:**

- Title : Parents' Safety Practices When Dropping Off Children at School
- Time Required : Approximately 1 minute
- Survey Link : <https://forms.gle/SXA5SjaT5vimdKiP7>

We strongly encourage all parents to participate, as your valuable input will contribute to creating a safer and more efficient school environment for students and families across Dubai.

Thank you for your continuous cooperation and support.

Kind Regards,

*Pretty Khosla*
