

**END OF TERM 3-SUMMATIVE ASSESSMENTS 2025-2026**

**(Year 2 to 10)**

Dear Parents,

Greetings from **The Apple International Community School**.

The end of term 3 summative assessments for years 2 to 10 will commence from Monday, June 15<sup>th</sup>, 2026. The end of term 3 assessment serves as a comprehensive evaluation of the knowledge and skills acquired by our students throughout the academic year. It allows us to gauge their understanding of the curriculum, identify areas of strength, and pinpoint areas where additional support may be needed. We will have teachers revising content, offering assertive mentoring as necessary for students that need it and ensuring that students have the best chance to succeed.

We encourage students to approach the assessment with confidence and a positive attitude, knowing that they have been diligently preparing for this moment. For parents and guardians, we kindly request your support in ensuring that your child is well-rested, properly nourished, and equipped with the necessary materials to excel in the assessment.

**Please note the important points:**

- **No retests will be given for any assessments.**
- **No request to prepone or postpone any assessment will be entertained.**
- **Late arrivals for the exams are not allowed, and no extra time will be given for the same.**
- **Absenteeism other than medical leaves will be graded as U.**
- **Medical leaves are accepted only with a valid medical certificate from a doctor.**
- **There is no provision for online assessments.**

Please make sure that your child attends all assessments without fail.

We will make sure that our students are supported to the best possible degree. **We are facilitating early dispersal for all students at 11.30 am from June 15<sup>th</sup> to 29<sup>th</sup> June 2026** so that children get enough time to get back home, rest and prepare for their next assessments.

Our students' mental health and well-being are important so, as parents, please ensure that the learning environment at home is conducive to retention. We seek your support in encouraging students to take term end assessment as enjoyable and fulfilling experience.

PFB the schedule for End of Term 3 summative assessments. Curriculum portion to be assessed will be sent by the form tutors in a separate email and through MS Teams/Class dojo.

**\*Kindly note that FS1 To Y1 have ongoing continuous assessment throughout the term so there will not be a formal summative assessment for them.**
