

Transition Meeting for FS2 Parents

Dear Parent,

Greetings from **The Apple International Community School**.

As your child completes **Foundation Stage 2 (FS2)** and prepares to move into **Year 1 (Key Stage 1)**, we would like to ensure a smooth and successful transition. To support this important milestone, we are organizing a **Transition Meeting for all FS2 parents**.

The transition from FS2 to Year 1 marks an exciting step in your child's educational journey. While many familiar routines will continue, students will also experience new learning expectations, longer school days, a more structured timetable, and an expanded curriculum. This meeting will provide parents with a clear understanding of these changes and how best to support their child during this transition.

This meeting will cover:

- Key similarities and differences between FS2 and Year 1.
- School timings, daily routines, lesson structure, and expectations.
- An overview of the Year 1 curriculum and subjects.
- Introduction to specialist teachers and subject-specific learning.
- Reading, phonics, and assessment programmes in Year 1.
- Communication channels used between home and school.
- Strategies to support children academically, socially, and emotionally during the transition.
- Practical ways parents can prepare their child during the summer break.

Attending this meeting is important as it will help ensure that both you and your child are well prepared for this exciting new stage of learning. It will also provide an opportunity to ask questions and gain a deeper understanding of the Year 1 learning environment.

Strong home-school communication and parental involvement play a vital role in ensuring a positive transition experience. We look forward to welcoming you to this informative session.

The transition meeting is scheduled as follows:

Day & Date : Wednesday, 24th June 2026
Time : 10 AM to 11 AM
Reporting Time : 9:45 am
Venue : AICS New MPH

We kindly request you to make time to attend this session so that the transition process is smooth and successful for your child. We look forward to an informative and productive session.

Thank you for your continued support and cooperation.

Kind Regards,

Pretty Khosla
